Simple Pursuit by Melodie Malone (key of A)
[Verse 1]
  E A
  God take us back, the place we began
    E A
  The simple pursuit of nothing but You
               E
  The innocence of a heart in Your hands
           E A
  God take us back, God, take us back
[Pre-Chorus]
                                       E/G#
To an unswerving faith in the power of Your name
              C#m
A heart beating for Your kingdom to reign
A church that is known for Your presence again
         C#m ----- B
God take us back
[Chorus]
                     E/G# or [E]
Nothing and no one comes close to You
Nothing could ever come close
Nothing and no one
    E/G# or [E]
It's You and You only
Nothing could ever come close
```

```
