

"Shepherd" by Bethel (key of F)

[Verse 1]

**F** **F/A**  
In the process, in the waiting  
**A# C F**  
You're making melodies over me  
**F F/A**  
Your presence is the promise  
**A# C F**  
For I'm a pilgrim on a journey

[Chorus]

**C Dm A# F**  
And You will lift my head above the mighty waves  
**C Dm A# F**  
You are able to keep me from stumbling  
**C Dm A#**  
**F**  
And in my weakness You are the strength that comes  
from within  
**Gm F/A A#**  
Good shepherd of my soul  
**Gm C F**  
Take my hand and lead me on

[Verse 2]

**F F/A**  
You make my footsteps and my path secure  
**A# C F**  
So walking on water is just the beginning  
**F F/A**  
Cause my faith to arise, stand at attention  
**A# C F**  
For You are calling me to greater things

[Chorus]

**C Dm A# F**  
And You will lift my head above the mighty waves  
**C Dm A# F**  
You are able to keep me from stumbling  
**C Dm**  
And in my weakness You are the strength  
**A# F**  
that comes from within  
**Gm F/A A#**  
Good shepherd of my soul  
**Gm C F**  
Take my hand and lead me on

[Bridge 1]

**F**  
Oh how I love You  
**F/A**  
How I love You  
**A# Dm C**  
You have not forsaken me  
**F**  
Oh how I love You  
**F/A**  
How I love You  
**A# Dm C**  
With You is where I want to be

[Bridge 2]

**F**  
Come and take us higher  
**F/A**  
Come and take us higher  
**A# Dm C**  
We want to be with You, right where You are
